General J. A. Anderson
Commissioner of Highways
Richmond, Virginia

Dear General Anderson:

I enjoyed very much meeting and talking with you, Mr. Rawls, and Mr. Francis yesterday concerning our plans for the construction of a new headquarters building for the Central Intelligence Agency on the Bureau of Public Roads property near Langley, Virginia. I also appreciate very much your making arrangements for me to talk briefly with the Governor.

We look forward to working with you and your people in the expeditious completion of our building. With your splendid cooperation I am sure that any traffic problems which we may encounter can be resolved with a minimum of difficulty and that we will eventually have a facility of which the Federal Government and the State of Virginia can well be proud.

Sincerely,
